Dear Future Employer:

My name is Nicole White I am the Manager of Cash Operations for Revenue Management at Centura Health. I have had the pleasure of working with Cynthia Hutaurok the past 6 years. In comparison to her peers, Cynthia is the most intellectually curious.

During our time together Cynthia has constantly challenged any changes implemented in our department. She wants to know the why driving the change and the end result desired. Cynthia's curiosity and inquisitiveness have helped drive projects and create meaningful changes.

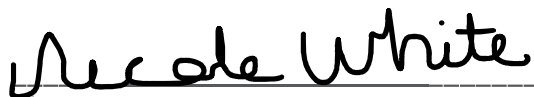

It has been an honor to watch Cynthia grow in her career and educational endeavors. Her determination to grow and help others continues to contribute to our department's success. I would enthusiastically recommend Cynthia for any career advancement she is perusing.

Sincerely,

Nicole White, BAS
